

If you could
ASK GOD
ONE QUESTION,
what would
it be?

At St Mark's, we're really interested to know what you'd say if you could ask God one question. So we're inviting people to jump onto our website and let us know. It's anonymous and easy to do.

Just go to: www.northbridgeanglican.org.au/1Q4G

Then we will take the three most common questions from all the responses we receive, and over three Sundays in September (16th, 23rd & 30th) we will deliver a sermon on each of those topics from a Biblical perspective. So please feel free to not only submit a question, but to come along and listen to our thoughts on how God might answer!

You can check the web page above from late-August to see what topics the sermons will cover.

Anyone is welcome at any one of our services over those three weeks (and any time) – 8:15am, 9:30am, 5:00pm.
